A Busy Winter at Hyland Hills

From Roger Gudenkauf, President
Hyland Hills Board of Directors:

"I am pleased to announce that on March 6, 2012, the Board acknowledged more than 40 years of his dedication by unanimously passing a resolution renaming the Hyland golf courses: The Greg Mastriona Golf Courses at Hyland Hills. Congratulations to Greg!"

We have had a busy winter concentrating on two major building projects in the District; one at Water World and the other at the golf courses. At Water World we will be introducing a huge water coaster this season unlike anything ever seen in this region of the United States, along with another smaller attraction. At the golf courses, an impressive new clubhouse has arisen in the same spot where the old one had been for more than 40 years. Both projects have spring/summer completion dates and we are hoping Mother Nature will cooperate so we can introduce them to you in a timely fashion.

Remember that as a Hyland Hills District resident, you are eligible for big discounts at all of our facilities. Whether it's Water World, Adventure Golf & Raceway, The Greg Mastriona Golf Courses at Hyland Hills, Ice Centre at The Promenade, Carroll Butts Athletic Park, the community centers, or renting a pavilion in our parks, you can save money! You can also see from this Activities Guide that there are scores of interesting recreation programs for you to take part in. Hyland Hills is actually well known far beyond our District boundaries for offering quality and value, and we draw participants from a wide geographic area.

Additionally, we offer exceptional rental venues where you can celebrate your family's special events – and let us do the work!

Please keep updated about Hyland Hills by visiting our home page on the web at www.hylandhills.org

The Hyland Hills Board of Directors and I thank you for your ongoing support of the District and we hope to see you this season!

Greg Mastriona, Executive Director

Dear Hyland Hills Park & Recreation District Community:

A successful community is built around strong relationships and none is more important and enduring than the partnership between Adams County School District 50 and the Hyland Hills Park and Recreation District. For years, Hyland Hills has worked with the district to ensure that our students have both healthy minds and bodies. The cooperative relationship includes the shared use of facilities so children and families have the opportunity to participate in recreational activities with affordable rates and fees. Taxpayer dollars are maximized through this joint venture which offers year round opportunities.

On behalf of the District 50 Board of Education, I encourage you and your family to participate in Hyland Hills activities and to enjoy the benefits this unique and important partnership offers to the community.

Sincerely,
Marilyn Flachman
President, Board of Education
