## Indoor Arena Opens at the Carroll Butts Athletic Park!

The Carroll Butts Athletic Park now features a high quality indoor athletic arena that is open for business. The arena offers indoor youth and adult soccer, lacrosse and flag football, and features locker rooms, concessions, meeting rooms, and a lounging/gaming area. The indoor environment is intended to compliment the outdoor sports and practice fields that were remodeled and upgraded during the past couple of years at Carroll Butts Park.

As you browse through this Activities Guide, we encourage you to please consider the wide variety of winter/spring recreational activities that you and your family can participate in. Don't forget the Ice Centre at The Promenade where your family can ice skate during open public skate hours for winter fun.

And even as winter befalls us our Water World staff is already busy at work preparing for the next year. As you can see by the recruitment ad on the Water World page of this guide, it takes a lot of dedicated people to keep Water World functioning as the greatest family water park in America. And of course we also offer Adventure Golf & Raceway as an regional entertainment venue, and as such, we need a lot of seasonal employees there as well. Therefore, we will actively be recruiting students who want to earn some cash and have a little fun at the same time. We have students return year after year because they've had a positive work experience and have made some good friends along the way. So, as we enjoy the beautiful Colorado winter season, why not keep Water World and Adventure Golf & Raceway in mind as you begin to plan for your summer activities as well! Summer employment applications will be available at the end of February.

The Board of Directors and staff at Hyland Hills wish you all a very happy holiday season and a new year filled with recreation fun.

Greg Mastriona  
Executive Director

Dear Hyland Hills Park & Recreation District Community:

Adams County School District 50 — The District of Choice — is proud to have the Hyland Hills Park and Recreation District as our partner. This outstanding organization shares our goal of serving children and our community. Thanks to our partnership, children have the opportunity to attend before and after school programs and recreational activities. Families and individuals are able to take advantage of Hyland Hills activities at convenient locations. Sharing one another's facilities and using District 50 schools beyond traditional education programs maximizes taxpayer dollars, which benefits the entire community.

The District 50 Board of Education encourages you and your family to participate in the activities and opportunities this partnership offers. We welcome you into our schools and facilities. We hope you enjoy the many educational and recreational activities provided by this unique partnership.

Sincerely,  
Board of Education
