Summertime...Let’s Recreate!

Since Hyland Hills is in the recreation business, we especially look forward to summer, when the weather allows for all sorts of outdoor recreation and fun. As you look through this guide and consider the many options being offered, we hope you will take advantage of them and sign up soon.

Last year at this time our athletic department staff was busy preparing for the return of the “great American pastime” to Hyland Hills and the new league that was being formed. That was a big hit with more than 400 boys and girls registering for baseball and softball in our inaugural year. So, 2017 promises to offer even more special dugout moments to more kids as we kick off the season on opening day, May 13th.

Clear Creek Valley Park’s trails, imagination playgrounds, workout arena and community gardens are now open for the public to enjoy, along with ample parking and nice public restrooms. The sports fields will also be available for team sports next fall as we wait for the grass to fully grow in there before we begin to program that site. Families interested in planting a 10’ x 30’ plot at the community garden should contact Terry Barnhart soon at 303.650.7609 for details.

We would also like to thank all the kids who applied for work at Adventure Golf & Raceway and Water World this year. To those who were hired, we welcome you and wish you much success, especially those where this is your first job. We continue to hire in other areas, such as grounds-keeping and landscaping, as noted in this guide.

Finally, some say the digital age has made people too stationary, inactive, even depriving us of valuable human interaction. As recreation “experts,” we offer a challenge to that as the Board of Directors, staff and I invite you to come to recreate with us this season!

HYLAND HILLS – CITY OF WESTMINSTER JOINT USE AGREEMENT
Hyland Hills Park and Recreation District and the City of Westminster entered into a reciprocal agreement on June 5, 1990 that allows residents of the two entities to enjoy expanded recreational opportunities. This includes over 120,000 residents of both entities. The agreement makes current resident identification cards issued by both entities virtually interchangeable. Residents can receive resident rates for use of facilities and programs in both Westminster and Hyland Hills. This is a valuable opportunity for residents to be able to enjoy the best and most unique recreation facilities in the country at the lowest possible cost.

WATER WORLD

Steve Loose Retires
Fellow employees honored Steve Loose at a luncheon in early March as the Hyland Hills icon retired after 42 years. Most of Steve’s years were spent as general manager of Water World. In that capacity, he was responsible for the day-to-day operations of what is widely considered to be one of the world’s greatest waterparks. Water World grew, during Steve’s tenure, from a handful of attractions to now 50 – all meticulously laid out over 70 hilly acres. Additionally, more than 30,000 young people found work under Steve’s leadership. We are glad to note he will remain but a phone call away. Mike Shelton, who has been with the Hyland District for 29 years, will take the helm at Water World. Shelton was previously a Water World manager and continues to oversee operations at the Ice Centre at the Promenade as well.

Cowabunga Beach/ Turtle Bay Win Award
Water World’s two newest attractions won the prestigious “Leading Edge Award” from the World Waterpark Association in 2016. The boogie-boarders’ challenge beach and turtle-themed wave pool for toddlers are a can’t miss for this summer, come on out and see for yourself!
