

HYLAND HILLS

Park & Recreation District

Dear Hyland Hills Community –

Hyland Hills Park and Recreation District has just completed an intensive, citizen-led, master planning process resulting in the 2020 Hyland Hills Park and Recreation District Master Plan.

The Master Plan Committee recommended to the Board of Directors that District residents be allowed to approve the extension of an **existing** mill levy of 1.275 mills that has been paying the debt service on the District's 2002 General Obligation bonds for the following purposes:

- *Conserving and maintaining natural areas and open space*
- *Maintaining and improving neighborhood parks throughout the District*
- *Repairing and improving aging District recreational facilities*
- *Improving safety at and access to parks, recreational facilities and trails*
- *Providing opportunities for active recreation for children, families and seniors*
- *Improving energy efficiency and savings at District facilities*

The Board of Directors of Hyland Hills Park and Recreation District has passed a resolution asking voters to approve the extension of a 1.275 property tax mill levy in the upcoming May 5th independent mail ballot election.

IMPORTANT FACTS

The approval of the mill levy is not a *new* tax levy.

The approval of extension of the 1.275 mill levy will provide Hyland Hills with funds to address the needs and recommendations identified in the Master Plan.

The approval of the mill levy of 1.275 equates to approximately \$2.28 per month for a home valued at \$300,000.

Please urge your friends and relatives that live in the District to become informed and vote!
